REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: applicants' submission of the certified translations of the French priority documents is sufficient to overcome the prior rejections under 35 U.S.C. 103(a). Accordingly, the prior art does not teach or suggest a cored wire for introducing additives into a molten bath, said cored wire being essentially as claimed in the present claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jill M. Gray whose telephone number is 571-272-1524. The examiner can normally be reached on M-F 10:30-7:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cynthia Kelly can be reached on 571-272-1526. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
